Parent Engagement Corner

Welcome back! I would like to introduce myself. My name is Rhonda Grubb, and I am the Parent Liaison for Crescent Elementary. A Parent Liaison works to bridge the gap between home and school by assisting parents in understanding ways they can help their children with academics.

During this school year, you will have an opportunity to attend parent workshops that will be offered at flexible times. Please look for information throughout the year regarding these workshops.

If you are looking for additional resources to assist your student at home, please visit our school Parent Resource Center located in the media center. Open during school hours, parents can browse through our assortment of games, DVDs, manipulatives, brochures, pamphlets and handouts to find wonderful resources to work with your child at home. Please feel free to contact me any time if you need support or information on how to improve your child's academic performance in school. You can reach me by phone at (770) 229-3719 or by email at rhonda.grubb@gscs.org.

Estimados padres:
Este es un documento importante de la escuela de su hijo. Si ustedes necesitan que traduzcamos esta información, por favor, llamen a Lisa Bates al 770-229-3710 ext.10327.

GSCS District Parent and Family Engagement Policy

Like the school level Parent and Family Engagement Policy, the District Parent and Family Engagement Policy outlines the expectations for parent engagement activities and describes how these activities will be implemented and evaluated at the district level. You can read the policy at:

- Parent Engagement Page of the GSCS website <https://tinyurl.com/GCSPandFEngagementPolicy>
- New Student Orientation Packet found in the front office of your school
- The Parent Resource Center located at 234 E. Taylor Street in room B112

Additionally, the District Parent and Family Engagement Policy will be sent to all parents via U.S. mail on or before August 6, 2018.

If you have any comments, concerns or suggestions, please contact Melinda Owens at (770) 229-3710 ext. 10363 or melinda.owens@gscs.org.

Title I Information Sheet

Have you seen a copy of the Title I Information Sheet? This document contains important information about Title I schools including information about Title I, the Every Student Succeeds Act (ESSA) and the Parent Engagement Program.

This informational sheet can be found in your student's agenda or on the GSCS district webpage: <http://tiny.cc/GSCSTitleInformation>.

Back to School

Crescent's Parent & Family Engagement Policy

The Parent and Family Engagement Policy is the foundation of home, school and community partnerships. It sets forth the expectations for parent engagement activities and describes how these activities will be implemented and evaluated. You can read the policy:

- Located on the school's website at tinyurl.com/crescentpandfpolicy
- In the Front Office
- In the Parent Resource Center located in the media center

If you have any comments, concerns or suggestions, please contact Rhonda Grubb at (770) 229-3719 or rhonda.grubb@gscs.org.

School-Parent Compact

A School-Parent Compact is an action plan for our school. The compact states our school's goals which have been agreed upon by parents, teachers and students and how we can relate them to increased student academic achievement. The compact outlines how the parents, entire school staff and students will share the responsibility for improved student academic achievement.

- To increase the number of students performing at or above proficiency on ELA End of Grade assessments by 5% on the 2019 Georgia Milestones.
- To increase the number of students performing at or above proficiency on Math End of Grade assessments by 5% on the 2019 Georgia Milestones.

In order to meet Title I requirements, the compact cover sheet must be signed, dated and returned to the school. Compacts were distributed during Open House. If you did not receive a compact or if you would like to give us feedback on the compact, please contact Rhonda Grubb at (770) 229-3719 or rhonda.grubb@gscs.org. We look forward to working with you to help your student achieve greater academic success.

EVERY STUDENT SUCCEEDS ACT (ESSA) HIGHLIGHTS

ESSA includes provisions that will help to ensure success for students and schools. Below are just a few. The law:

- Advances equity by upholding critical protections for America's disadvantaged and high-need students.
- Requires—for the first time—that all students in America be taught to high academic standards that will prepare them to succeed in college and careers.
- Ensures that vital information is provided to educators, families, students and communities through annual statewide assessments that measure students' progress toward those high standards.
- Maintains an expectation that there will be accountability and action to effect positive change in our lowest-performing schools, where groups of students are not making progress and where graduation rates are low over extended periods of time.

The Every Student Succeeds Act (ESSA) can be found on the U.S. Department of Education website at: <https://www.ed.gov/essa?src=rn>.

Parent Right to Know

In compliance with the requirements of the Every Student Succeeds Act, the Griffin-Spalding County School System would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/or paraprofessional(s). The following information may be requested:

- Whether the student's teacher:
 - has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - is teaching in the field of discipline of the certification of the teacher.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to request information concerning your child's teacher's and/or paraprofessional's qualifications, please contact Melissa Ritter of the Human Resources Department by phone at 770-229-3710, by email at melissa.ritter@gscs.org or in person at 223 S. 6th Street, Griffin, GA 30224.

GEORGIA MILESTONES ASSESSMENT

The Georgia Milestones Assessment System (Georgia Milestones) is a comprehensive summative assessment program spanning grades 3 through high school.

Georgia Milestones measures how well students have learned the knowledge and skills outlined in the state-adopted content standards in English language arts, mathematics, science, and social studies.

Students in grades 3 through 8 take an end-of-grade assessment in English language arts and mathematics while students in grades 5 and 8 are also assessed in science and social studies. High school students take an end-of-course assessment for each of the ten courses designated by the State Board of Education.

If you have any questions about the Georgia Milestones Assessment, please contact Karen Williams at (770) 229-3719 or karen.williams@gscs.org.

COLLEGE AND CAREER READINESS PERFORMANCE INDEX (CCRPI) SCHOOL YEAR 2018

The College and Career Ready Performance Index (CCRPI) is Georgia's annual tool for measuring how well its schools, districts, and the state itself are preparing students for the next educational level. It provides a comprehensive roadmap to help educators, parents, and community members promote and improve college and career readiness for all students.

The CCRPI includes five main components each scored on a scale of 0 to 100: Achievement, Progress, Closing Gaps, Readiness, and Graduation Rate (high school only). These components, encompassing multiple indicators, are combined for a total CCRPI score on a scale of 0 to 100. The CCRPI also reports other information, such as the performance of student subgroups, school climate and financial efficiency status.

If you have any questions about the CCRPI, please contact Natalie Wood at (770) 229-3719 or natalie.wood@gscs.org.

GRIFFIN-SPALDING COUNTY SCHOOL SYSTEM PARENT RESOURCE CENTER (PRC)

Did you know that the Griffin-Spalding County School System also has a Parent Resource Center?

Find activities, books and brochures for your student in our District Parent Resource Center. The center is designed to provide educational resources for parents to help your student succeed academically. Parents can also find computers with internet access at the center. The best part is resources are FREE! You can find the Parent Resource Center located in the Parent Services Building, Room B112 on 234 E. Taylor Street, Griffin, GA 30224. The Center is open, by appointment, Monday-Friday, 8:00 a.m. – 4:00 p.m. If you would like more information or want to make an appointment, please contact Melinda Owens at 770-229-3710, ext 10363 or at melinda.owens@gscs.org.

Academic Websites

Google Earth- www.google.com/earth Zoom over the Sahara desert. Fly past the streets where your students live. Take a tour of the Eiffel Tower. You can do it all with Google Earth, the tool that makes the world feel a little bit smaller with its map-generating capabilities. If you're new to Google Earth, the tutorials offer a great introduction.

PowToon- www.powtoon.com Moviemaking has never been easier than it is at PowToon. To create a short animated clip, all you have to do is write a script and choose characters and other graphics using a simple drag-and-drop tool. The possibilities are endless — challenge your children to write an additional scene for a book they are reading, or have one character explain the water cycle to another for a science project.
